Connecting Industry Securing The Future

Fastener Expo Eurasia is an international trade fair that showcases a comprehensive range of industrial production solutions, primarily fasteners and fixing elements, along with wire rod and wire products, heat treatment and surface technologies, metalworking solutions, measuring instruments, storage systems, and stacking equipment.

The Eurasia Industrial Fasteners and Fixings Fair, Fastener Expo Eurasia, brings all components of the industry together once again on a single platform in Istanbul, combining the international exhibition expertise of Reed Tüyap Fairs Inc. with the sectoral knowledge and experience of the Association of Fastener Industrialists and Businesspeople (BESİAD).

Preparing to open its doors for the third time, Fastener Expo Eurasia will host industry professionals at Tüyap Fair and Congress Center in Istanbul from 17 to 20 September 2026.

INTERMOB

Co-located Fair

Fastener Expo Eurasia is preparing to open its doors concurrently with INTERMOB, the 28th International Furniture Sub-Industry, Accessories, Forestry Products and Wood Technology Fair, at Tüyap Fair and Congress Center in Istanbul.

The seamless and natural visitor flow to be established between these two concurrently held fairs will offer a more efficient and impactful fair experience for both exhibitors and visitors.

Offering fasteners, fixing elements, and industrial production solutions, Fastener Expo Eurasia will welcome a wide range of furniture manufacturers, as well as senior-level professionals from the white goods, automotive, and communication technologies sectors, at the fairgrounds from 17 to 20 September 2026.

Thanks to this strong synergy, exhibitors will gain access to a much broader and more qualified target audience.
