FASTENER EXPO OPENS ITS DOORS!

Fastener Expo Eurasia gathers the fastener manufacturers and traders from Turkey and abroad under the same roof on May 24-27, 2023 at Tüyap Fair & Congress Center in Istanbul, co-locating with Hardware Eurasia.

Companies in the fields of industrial fasteners, fixings, retaining elements, assembly and installation systems, connector technologies, storage, distribution and factory equipment meet and network with the prime buyers in automotive, energy, construction, furniture, and logistics industries throughout Fastener Expo Eurasia.

Organized by Reed Tüyap Fairs Inc. and co-operated with The Association of Fastener Industrialists and Businesspeople (BESIAD) Fastener Expo Eurasia will be the business hub for all of the stakeholders in the fastener industry where buyers meet and network with the right sellers. The trade show will greatly contribute to the growth of the trade volume in fastener industry not only in Turkey but also in the region.
